

National Guard & Reserve Enhanced Service Support

The demands on the National Guard and Reserves are at an all time high. Humana Military recognizes the contributions that these units make to our national security and stands ready to help.

For those eligible National Guard & Reserve members and their families TRICARE offers worldwide health care coverage. Different TRICARE benefits apply depending on the member's status -

- on military duty for 30 days or less
- when activated
- when deactivated

Comprehensive benefit information is available on Humana Military's web site at www.humana-military.com
